	2008-24	E-450 SD	1328.20/.12*	1330.20
	2015-21	TRANSIT 150, 250, 350, 350HD	1774.20	1775.20 **

** Does not fit the 4,600 lb axle

* PFC's anti-corrosion pad technology prevents rust, peeling, corrosion, and is extremely heat resistant in even the harshest conditions. (All pad numbers ending in a .12 or .13 have anti-corrosion coating).

PFC ANTI-CORROSION BRAKE PADS

PFC anti-corrosion pad technology prevents rust, peeling and corrosion, enabling our pads to last up to six times longer than the competition. As seen in this test PFC pads elude the effects of Mother Nature and the most common man-made deicing agents.

*GM9540P Accelerated Corrosion testing cycles
